

PIGI-IPA

BITUMEN AND TAR REMOVER

RANGE OF USAGE:	Product for removing oil, grease, bitumen, tar and road salt from cars, mototors and machine parts.
PROPERTIES:	Solvent based pre-wash. The solution contains chemicals that begin loosening the roughest dirt. Works well both on dry and wet surfaces. Solvent component dissolves effectively oil and grease dirt.
PACKAGE:	10 l plastic canister, 200 l barrel
DOSAGE:	can be used directly
INSTUCTIONS FOR USAGE:	Spray Pigi-Ipa onto the surface to be treated and leave to work for 3 to 5 minutes. After that wash car with car shampoo and rinse with water. Treat stubborn stains with a sponge or brush. Do not allow the product to react with warm surfaces. Avoid direct sunlight. Highly flammable. Do not let dry on surfaces.
COMPOSITION:	Aliphatic hydrocarbons >30%, nonionic surfactants <5%, 2-propanol 5-15%, ethanol 5-15%
PRECAUTIONARY MEASURES:	Highly flammable. Harmful: may cause lung damage if swallowed. Keep locked up and out of the reach of children. Avoid contact with eyes and skin. In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical advice. Wear suitable gloves and face protection. No smoking.
ENVIRONMENT:	The package is from PE; clean package can be recycled. Transport packaging consists of reusable corrugated board and polyethylene film.
