

Dexbrite

General cleaner concentrate

RANGE OF USAGE:

A slightly alkaline general cleaner concentrate for all water-resistant surfaces, suitable for use in food industries, professional kitchens, trade establishments, saunas, bathrooms, toilets, childcare and healthcare facilities and other institutions with higher sanitary requirements.

PROPERTIES:

Suitable for all water-resistant surfaces like polished and varnished floors, linoleum, ceramic tiles and faience surfaces. Removes unpleasant odors.

PACKAGE:

1 l plastic bottle, 5 l plastic canister

DOSAGE:

10-30 ml of Plano Dexbrite for 5 l of water.

INSTRUCTIONS FOR USAGE:

Apply solution onto surfaces to be treated using clean damp cloth, mop or floor washing machine. Rinse.

COMPOSITION:

cationic surfactants <5%, nonionic surfactants 5-15%, phosphate <5%, perfume (d-limonene).

pH:

Dilution pH 9

PRECAUTIONARY MEASURES:

Product is irritating. In case of contact with eyes, rinse immediately with plenty of water. If irritation continues seek medical advice. It is recommended to use protective gloves.

ENVIRONMENT:

The package is from PE; clean package can be recycled. Transport packaging consists of reusable corrugated board and polyethylene film.
